

**Job Title:** ScienceWorks Summer Camp Instructor 2019

**Pay Rate:** \$450 for half day camps, \$900 for full day camps

**Job Description:** ScienceWorks Hands-On Museum is opening a call for summer camp proposals. Each summer camp instructor applicant can submit a proposal for one week of summer camp on a science topic of their choosing. Summer camps at ScienceWorks are split between three distinct grade ranges, Seekers K-2, Explorers 3-5, and Academy 6-8. By teaching a summer camp at ScienceWorks you have access to the museum, theater, classroom, and ScienceWorks materials. Camp instructors can teach up to 3 weeks during the summer.

**Work Environment & Physical Demands:** Duties are performed in office, museum, and public environments. Duties require frequent standing for multi-hour periods to facilitate activities and perform demonstrations. Occasional lifting/carrying items weighing up to 30 pounds. Must be able to transport oneself to role-related assignments, meetings, events, etc.

**Required Skills:**

- Bachelor's degree
- Experience working with youth in a formal classroom setting and an informal setting
- Flexible
- Knowledge of Next Generation Science Standards and Common Core Standards
- Experience writing educational curriculum
- Science background

**Preferred Skills:**

- Bilingual
- Experience working with a diverse population
- Experience with Project Based Learning
- Experience in mixed aged classrooms

**Required for Application:**

- Cover Letter
- Resume
- Camp Proposal (*Template provided*)
- Three Professional References

**Application Deadline:** February 15, 2019

**Send Applications to:** Melissa Donner, Education Manager  
melissa@scienceworksmuseum.org
