

Join with SOHEVA to celebrate Earth Day
Drive on Sunlight with EV's at

Science Works in Ashland - 4-7PM, April 19th

EV's + Sustainable Energy = Net Zero, clean energy driving

SOHEVA members will display their electric and plug-in hybrid cars to celebrate Earth Day. They will be happy to show off their car's features and answer questions about driving electric.

Join us under the Science Works Solar Panel Array - 1500 East Main, Ashland

Register to attend or find the Zoom link @ <https://soheva.net/index.php/eea/>
Then join us in person (with masks & socially distanced) or via Zoom
